

Ministry Team: Worship & Music

Meeting Date: Dec. 1, 2009

Attendees:

Karrie Aaseby
Jeff Picken
Sara VanBeek
Kathy Freeman
Melissa Moll

Items that may require council action: None

Items that may require budget/finance coordination: New music leader for North Site

Ministry Team Minutes:

The 2010 budget has not yet been reviewed by council. No further action required at this time,

North Site Music Leader Position: We will work with personnel on convening a task force of 5 – 6 members to work on finding a replacement music leader. It was suggested that the job description be more explicit and the qualifications reviewed and modified if necessary.

The generous gift that would cover the purchase of new hymnals was discussed. The team was in favor of updating and replacing the green hymnals.

Christmas tree decorating was discussed. The trees will be delivered 12/12 and decorated the weekend before Christmas. Kathy and Jeff are lining up volunteers for each site.

We had a short discussion regarding the Lenten season. Melissa will be meeting with Pastors Mike and Mary to discuss themes and focus of the services, and the shape of the evening and morning services.

Melissa hasn't heard from Wartburg College regarding a tentative April 2010 concert so at this point we're guessing that it will not be taking place.

Karrie reported on the liturgical art workshop she attended at Celebration Church. She has several ideas that can be used at both sites.

We closed with prayer.
