Items to add to the Time & Talent Form:

1. Someone to run the laptop for the video monitors at both services at the North Site.
2. "Faith Sharers" – People who would be willing to share their faith during worship. This may be in the form of a faith talk, a meditation on the day's scripture texts, or an artistic expression.

Augsburg College

On Sunday, November 1, 2009, we're looking to have a Praise Choir from Augsburg College at the North Site. Since they have a performance elsewhere Saturday night, we would not need overnight hosts for them. A meal coordinator and setup coordinator have been determined.

Memorials

We'd like to post the list of possible memorial items on the bulletin boards at both sites. Also, it would be great to have a picture frame displayed at both sites that would include a list of gifts given and in memory of whom. The list could be updated quarterly.

The albs for the downtown site are here. Two new candle lighters/snuffers have been ordered. Two new microphones were ordered to replace two that broke.

Communion Bread

Two people attended the communion bread baking training session in July. The recipe will be added to the next newsletter as well as put online so more people can access it.

"Bread for the Journey" Bake Sale

Many of the recent lectionary texts had a bread theme. To tie in with this theme, a bake sale will be held Sunday, August 23 after each service with a free will offering for the items. All monies raised will be given to local charities focused on feeding those in need. We are currently looking for people to donate bread, muffins, rolls, etc. to the bake sale.

Worship Services

- There will be two Thanksgiving Worship services this year. One will be Wednesday evening and one during the day on Thursday. Both will be at the Drew Street site.
- For Advent, the progression of decorating each week will be carried out the same as last year at both sites.
- The Christmas services at the North Site will remain at the same times as last year. At Drew Street, the 6:30 service will be changed to 6:00 to better accommodate families with children in different choirs. (The children's choirs sing at the 4:30 service, and the Seraphim choir near the beginning of the 6:00 service.) This will make the service times at Drew Street be 3:00, 4:30, 6:00 and 10:30pm.

Volunteer Training and Recognition

The Volunteer Training and Recognition will be Tuesday, September 1 at the North Site and Thursday, September 3 at Drew Street. While many of the training positions fall under the scope of the worship & music ministry team, we were unsure of what help is needed from us that night. We do have team members who are planning on attending at each location.

North Site Specific

We will be purchasing two video monitors for the North Site. We discussed details about changes that will result from their use.
