No items that require council action

The 2010 Budget was accepted with only a few minor changes

There is quite a lot of excitement regarding the new Hymnals and music

We want to get the memorials list of church needs/wants published to assist members when they wish to make a memorial or honorarium gift.

There seem to be enough communion bread bakers so we will move forward and bake bread for the 9:15 service as well as the North Site services

A new Pascal Candle will be ordered for Downtown and new numbers for the North Site.

Seasons of the Church

Services Lenten Season: At the March 3, 2010 Lenten service, there will be liturgical dancers. Amy is working with the group of dancers and Melissa with music.

One possible way to make the summer 2010 Worship in the Park a North Site and Downtown experience may be to package it with any campfire services that are scheduled on Wednesday evenings.

Thanks to all the members of the Worship and Music Ministry team who have completed their term and to those who will continue on the team. Barry Hoff is the new team leader for the group.
