

# 2010 Chili Cook-Off and Auction

The FELC YOUTH congregational and Community Chili Cook-off and Auction Extravaganza is scheduled for February 21 at the North Site Activity Center. Registrations are currently being accepted for Chili Cook-off participants and auction donations. This is a wonderful fellowship activity for the whole congregation! We are

asking families, church groups or community groups to sponsor chili booths or donate items for the auction. Chili Cook-Off participants are asked to come with a theme and decorate a booth for their entry. Further details will be sent out upon completed registration for the cook-off.

The 2010 Auction Extravaganza is currently accepting donations for the auction and our "Delisheries Table" from congregational members, groups and community busi-

nesses and organizations. The proceeds from items auctioned off will go to support FELC YOUTH summer ministries including summer interns, mission trips, camp scholarships and more. Our goal is to raise money to support our ministries in the summer months and allow any child who wants to participate the chance to do so regardless of economic situations. Items that auction well are unique and one of a kind items from congregational members such as wood working, hand made items, special dinners, unique get-aways, and services. Other donated items in the past have been pro and college sports tickets, fine arts and theater tickets, hotel packages, sports memorabilia, jewelry, paintings and more. If you, your family, church group, community organization or business would like to participate in the cook-off or donate to the auction, please contact Andy Moscinski in the church office or fill out this form and return it to the church office. You may also find forms online to register or donate for these events.
