

## **Feed My Starving Children Wrap-Up**

Thank you to everyone who helped make the Feed My Starving Children such a success. Everyone involved should be proud of what we accomplished. There were 4 shifts scheduled with a minimum of 125 people at each shift. Those 4 shifts packed 106,920 meals. We will feed 292 children for one year. 15 pallets of food left the North Site on a semi heading to Chicago. All the food was loaded before the storms hit though DJ and a few volunteers did end up getting quite wet - the food was dry.

\$20,821.75 was raised and donations are still coming in. Any future financial gifts will be used towards a 2011 MobilePack. If your business or congregation would like to partner with First English in our 2011 effort, please let us know by Dec. 1, 2010. We'd love to work with any group no matter how big or small.

What a joy it was to witness God's children at work to help others. We could have never accomplished this effort without each and every one of you.
