

Spark faith at home

The "Spark Faith Take Home" can be accessed on the FELC Web site or picked up on the Youth Bulletin Board. Keep the Sunday School Spark Bible story learning continuing at home with ideas for family prayer, conversation starters, "Eye Spark," "Ear Spark" and "Live it" ideas for daily life. Each week all children in preschool through Grade 6 learn the same Bible story and children bring home a weekly learner leaflet so families can continue the conversation. Remember, if your child is absent a week, learner leaflets have been saved for you and should be picked up from the Spark librarians, Amy Gadbois in the Lower Level at the North Site and Jenny Koster in the Fellowship Hall desk at the Downtown Site.
