

# Olan Mills Picture Directory

**Make your appointment today!**

Throughout the month of June, First English Lutheran members had an opportunity to make church directory appointments at church or on line. Beginning on July 1, all appointments will now be made directly through Olan Mills.

We want your family to participate in the church directory so call Olan Mills (800-866-2263). If needed, our contract number is: 32420. Olan Mills will also begin making phone calls to all those households who did not make appointments. "Church directory" will appear on your caller ID.

**The following appointment dates are available:**

**July 7, 8, 21, 22, 23, 29, 30 & 31**

**August 12, 13, 14, 22 & 23**

Every family who participates will receive a complimentary directory and FREE 8 x 10 color portrait. Please allow one hour for your scheduled time.

Help make the 2008 directory a success, call for your appointment today!
