Elementary Sunday School, Song, And Special News

A NEW YEAR
AND
SO MUCH MORE TO
LEARN!

Sunday School attendance frequently declines after Christmas but there is so much more to learn - Bible stories from the Old and New Testament alike, class activities, and discussions about Holy Week as we approach Lent and the miraculous wonder of the Resurrection. Weather and family commitments can impact attendance but we encourage you to have your student(s) at Sunday School as often as possible so they don't miss any of these important pieces in their religious education.
