Light Up The Wreath and Your Advent

Families at both sites are asked to consider lighting the Advent wreath at the start of worship this holiday season. This is a wonderful way to participate in the anticipation of the birth of Christ as an active part of our faith family. Confirmation families can use this experience as a Family Assignment (write about lighting and the reason we use an Advent wreath). Sign up in the Gathering Area to be part of this bright Advent tradition!

Elementary Sunday School, Song, And Special News

Let's Learn Together on Thanksgiving Weekend

Since so many children and Sunday School teachers are traveling on Thanksgiving weekend, our Sunday School classes will most likely be small. After Christmas program practice at both sites on Nov. 27, students age 3 - grade 4 will be meeting in Fellowship Hall at the Downtown Site and in the Lower Level at the North Site for a combined short lesson on the Advent wreath and an age appropriate project. We ask that parents of children age 3 please attend if able to help students with their projects. A prayer of thanks to all the families and teachers that participate in the faith education of our FELC kids!

Faith Talk & Fun on Sundays Needs Parents!

We have the leadership relay running but need additional parents of Confirmation age students to sign-up to occasionally help lead a brief faith discussion and hang out for the short social time following. Meetings don't happen without parental support so can we hand you the baton?
