Elementary Sunday School, Song, And Special News

Let's Learn Together TODAY!

Since so many children and Sunday School teachers are traveling this weekend, our Sunday School classes will most likely be small. After Christmas program practice at both sites today, students age 3 - grade 4 will be meeting in Fellowship Hall at the Downtown Site and in the Lower Level in the North Site for a combined

short lesson on the Advent wreath and an age appropriate project. We ask that parents of children age 3 please attend if able to help students with their projects. Classes for grades 5 & 6 will meet as usual. A prayer of thanks to all the families and teachers that participate in the faith education of our FELC kids!

Faith Talk & Fun on Sundays Needs Parents!

We have the leadership relay running but need additional parents of Confirmation age students to sign-up to occasionally help lead a brief faith discussion and hang out for the short social time following. Meetings don't happen without parental support so can we hand you the baton?

Contact Kirsten at kowens@felc.com for the Sign-Up

Genius link to help keep our kids connected to faith and each other.

Middle School Youth Group is Doing

the Avenue of Ice

We're doing a repeat of this fun holiday event! Meet us at the Downtown

Site at 10:30 a.m. on Dec. 17 and we'll walk to College Avenue to see tons of cool ice sculptures, take a horse drawn wagon ride, and grab lunch. We'll be back at the Downtown Site at 12:30 p.m. for pick-up.

The event is free but bring money for lunch and, of course, your friends are always welcome!

Work Is Always Better If We Do It Together

We continue to look for parent party planners for all three grades! Thank you to those who have signed up and a request for help from others. Give a hand to the party planning crew so your student can have a great Christmas party!
