Chaperones Needed for 2017 High School Mission Trip

If you are a parent/guardian of a student attending this summer's mission trip to Pine Ridge, SD, you are encouraged to consider if you're being called to join us as a chaperone. We are looking for adults that are passionate about serving, are available to participate in bonding and fundraising events, and are preferably comfortable driving a 12 passenger van (but not always necessary). If this is something that you're interested in, please email Heidi Schreiner (hschreiner@felc.com).

Start children off on the way they should go, and even when they are old they will not turn from it.

Elementary Sunday School, Song, And Special News

Next Sunday is Faith Family Sunday

Our Focus is on Communion

In preparation, bring paper and crayons to worship and ask younger children to draw pictures of healthy things they like to eat - apples, yogurt, chicken, etc. Ask older children to pay attention as they walk up for their blessing. What is the pastor or communion server saying and when are they saying it? Who is receiving communion? What are people doing after they received communion?

We'll give you some ways to talk about communion next Sunday.

Hark! Have You Heard Our Angels Sing?

The Sunday School students are beginning their Christmas program practices. Mark Dec. 17 for rehearsal and Dec. 18 for the program on your calendar. (Dec. 11 for pre-K-K age children.)

MSYG is

Flippin' Fantastic
in November

Tired of hearing that you can't flip your water bottle at school, church,

home? Then you'll love Middle School Youth Group on Nov. 20 because we're having water bottle flipping battles at the North Site from noon - 1 p.m. We'll have pizza for lunch and flip until we crown the Water Bottle Flipping Champion! A free will offering will be collected to purchase water bottles for folks in local shelters. All students grades 6-8 and their friends are welcome to attend FELC MSYG. So, get a grip on your flip and see you Nov. 20!
