## LET'S CELEBRATE AFFIRMATION OF BAPTISM TOGETHER

Next Sunday, Apr. 23, at the 10:30 a.m. service at both sites we celebrate the decision that our confirmands have made to affirm their baptisms and declare in front of the congregation that they intend to continue their walk with Christ as adult members. This is a wonderful Sunday not only for the students and their families but for our congregation, as parents have an opportunity to begin talking to their younger children about the importance of affirming their baptism, and confirmed members have a chance to reflect on their own promises made during confirmation. Please join us at one of these important services in celebration of our fellow brothers and sisters in Christ!
