## Don't Pass on Ash Wednesday

Ash Wednesday is an important beginning to the Lenten season that reminds us that the life we live on earth is fleeting and our true salvation resides in our belief in and relationship with Christ. It's also a time for us to slow down and remember to turn close to God and away from those things that separate us from Him. Ash Wednesday worship can be a very powerful faith tradition and memory in a family. Worship services are offered on Mar. 1 at 6:15 p.m. at both sites.

## Elementary Sunday School, Song, And Special News

### Are You Passionate About Faith Education? Then We Need YOU!

Faith education is a really important part in the growth of the church at large but more importantly, a gift to each individual child and family as they move toward mature relationships with Christ that will sustain, comfort, challenge, and inspire them in their joys and struggles in life. It's a really important mission and as our culture continues to change we have new questions to ask and exciting new methods to explore in finding our way out of the fray of secular society and back to the teachings and community of God.

This is the mission of the Learning Ministry Team and we are eager to energize this group with those that are passionate about connecting kids age 3 - Confirmation (grade 9) with Christ through religious education.

Please contact Kirsten Owens at [kowens@felc.com](mailto:kowens@felc.com) for more information.

### Prayer Stations for Faith Family Sunday in March

On Mar. 5, our next Faith Family Sunday at North Site, we will be pulling pieces together to create family prayer stations for Lent. If weather permits we will look for stones and twigs that speak to us, create votive holders and talk about how Lent is an important time to reflect on the period prior to the Passion and Resurrection.

Bring the Lesson Home  
This week students age 3-grade 4 are learning about Jesus feeding 5,000. The 5<sup>th</sup> & 6<sup>th</sup> grade classes are beginning to talk about the death and Resurrection of Christ. Ask your students about their lessons each week to grow in faith together!
