**A NEW YEAR
AND
SO MUCH MORE TO
LEARN!**

Sunday School attendance frequently declines after Christmas but there is so much more to learn - Bible stories from the Old and New Testament alike, class activities, and discussions about Holy Week as we approach Lent and the miraculous wonder of the Resurrection. Weather and family commitments can impact attendance, but we encourage you to have your student(s) at Sunday School (resuming next Sunday) as often as possible so they don't miss any of these important pieces in their religious education.

Elementary Sunday School, Song, And Special News

New Year's Day (today) is the first Sunday of the month so there is no Faith Family Sunday activity at North Site this morning. Save the date for Feb. 5 when a leader from Crossways Camps will join us. We'll sing camp songs, play games, and eat s'mores while we get ready for a summer filled with sun, fun, and faith!

Pin Some Hope On A New Year

Consider pinning or taping a hopeful verse in your child's backpack or notebook. There's a lot of wonderful verses to choose from in the Bible. If none readily come to mind, just search— Bible verses of hope, courage, comfort, etc. It's a great way to remind your student that God has their back in this new year!

**Sunday School

Have a
joyous holiday!**

And we know that God causes everything to work together for the good of those who love God and are called according to his purpose for them.

-Romans 8:28
