A NEW YEAR
AND
SO MUCH MORE TO
LEARN!

Sunday School attendance frequently declines after Christmas but there is so much more to learn - Bible stories from the Old and New Testament alike, class activities, and discussions about Holy Week as we approach Lent and the miraculous wonder of the Resurrection. Weather and family commitments can impact attendance, but we encourage you to have your student(s) at Sunday School (resuming today) as often as possible so they don't miss any of these important pieces in their religious education.

WITH US

KIDSLIFE IS BACK ON WEDNESDAY NIGHTS!

Confirmation is back in session on Wednesday nights and so is KidsLife! If your child is in grades 1-6 and would enjoy arts & crafts, games, service projects and more they will love meeting with their friends from 7-8 p.m. in Room 014 at the Downtown Site. Meet us there!

Out of town or have a conflict with worship on Sunday? Don't forget that Wednesday night worship from 6:15-7 p.m. is an option for everyone. Join us!

Handing Off The Lesson To Home

This week (1/8) students age 3 - grade 4 are learning about the Ten Commandments and will be studying David & Goliath the following week (1/15). Read the family sheet (on the back of their activity page) for home discussion ideas. Grades 5-6 have been studying the healing and teachings of Jesus, Advent & Epiphany. Ask your students what they have been learning to support your child and grow in faith as a family.

Grande Lattes & Games in January

Baby, it's cold outside so let's snuggle in with some great coffee or hot cocoa and play some board games in the dead of winter. Middle School Youth Group (MSYG for grades 6-8) will be meeting at Copper Rock Downtown from 1-3 p.m. on Sunday, Jan. 15. Bring money for your favorite drinks and treats, one or two games, and your friends for a cozy café lazy Sunday!

The Compassion Pantry Returns in March

Last year we had a *fantastic* response to our first Compassion Pantry drive. The Compassion Pantry provides non-perishable, quick prep foods and toiletries for local high school students that have trouble meeting their needs. This year our recipient school will be Appleton West High School. Now's the time to start squirreling these items away for the collection dates of Mar. 8 & 15. This a wonderful way to show Christ's love and compassion to our neighbors and peers.
