We need to make a concentrated effort to have a welcome process in place for the new pastor and his family.

To Save a Life went well, but a small group. Once a month movie night should work.

Galvans has met twice. About 12 kids have shown up.

Upcoming ministry team events:

Tailgate at North on Sept 24. Life Promotions will be there to help. We will take a freewill offering. First United from Neenah will be helping. We welcome as much help as possible.

Ministry team coffee hour at North Site on Oct 31, Downtown on Nov 7. We will need volunteers for both of these Sundays.

Hayride and Bonfire at Homestead Meadows a Sunday night in October is being planned for high school.

We would like to get both more adults and youth to join our team. We discussed a few potential members and made a plan to ask a few people to join us.

North site learning time is a video and discussion. High school kids are encouraged to join in this.

Nathaniel Murken is taking a year off of school at UWEC and is serving in Global Missions in England. Would like some help with this mission trip, if possible.

We will not be taking on the October 31st Fifth Sunday potluck. We will be encouraged to help with the one on January 30, 2011.

Mike Bauer wants to know if we are interested in selling his honey to the congregation. We would sell it for \$8 a jar and take orders a couple of weeks prior to delivery. Support and council need to be contacted to see if this is a fundraiser that we can take on.

Mo will plan to review the summary of 2010 intern program.

Respectfully submitted, Ross Larson (typed by Kris Sather)
