- It was suggested by Ross Larson that SMAC take 100% control of all youth and family activities from the beginning of May to the end of August.
- Christian Cooperative Preschool was discussed.
- The search has begun for a new chairperson of the the ministry team. Ross will eventually be stepping down, given the upcoming birth of his first child and college class that meets on Tuesday evenings in the fall of 2011.
- Homework Night was discussed. It will be starting on Mondays in May. Donations of food and volunteers for food preparation would be sincerely appreciated.

- Only three people were present, making meaningful discussion difficult.
