Ministry team minutes:

- **Finance/Budget review:** Funds raised at IMPACT that exceeded the \$16,000 budgeted will be held in the designated fund for next years summer ministry. Seraphim Choir budget seems to show we overspent our budget, but there are offsetting revenues. Plans for reviewing the summer ministry financials were discussed.
- **QUAKE Program Review** - 13 youth participated from FELC, over 800 in total participated. The event was for middle and high school ages. Overall the event was positive for the participants and is worth considering participating in the future, but is worthy of discussion.
- **IMPACT Program Review** - A tremendous success for fellowship and fundraising. Over \$23,000 was raised which exceeded the budgeted goal by \$7,000.
- **INTERN SELECTION** - Interviews will be conducted this Saturday. 14 excellent candidates submitted applications. Three of them have been interns previously. Four candidates are members of other congregations.
- **BYG** - Five young people signed up for a retreat at Imago Dei Village. The decision was made to have this event in spite of the small number of people since the purpose is to grow the youth program from the foundation.
- **NEW THURSDAY HIGH SCHOOL YOUTH GROUP** - Forming at Copper Rock (downtown) after school on Thursdays.
- **GERANIUM SALE COORDINATOR** - Seeking a coordinator. Funds are part of the Youth designated funds.
- **NYG for 2012** - Site will be New Orleans. We discussed the need to identify interested youth and get a commitment early. Potential Task Force.
- **HOMEWORK NIGHT** - discussed a possible homework night.
