Jennifer Leahy,

Excused: Alex Kent

Items that may require council action:

○

Items that may require budget/finance coordination:

New Task Force (see minutes for details):

Ministry team minutes:

June minutes approved as written.

Finance/Budget

Review June & July expenses - no questions that weren't answered.

Contract with Noah Harmon – update from Jennifer J

All but signed. He'll now be under a regular, long-term contract with normal vacation, etc.

Equipment / Software / Training – Recurring item

NS – update

Media enhancements/refresh – Nothing new. Jeff has not heard back from Kenzie Kauth. He has another lead on an interested person. Will check with Julia Hujet.

Equipment replacement – update from Jennifer L. Nearly all equipment has been replaced. two mics and two amps are missing. Still looking and will check with John to see if he already has them. We're about \$1,000 under budget and don't need to replace some of the items that are missing. We just need to find it for John. Jennifer L. will create a list/letter for both sides to sign off on once we're done.

Soundboard channel – update from Jennifer L. The temp fix seems to be working.

Jonathan L will conduct soundboard training during rehearsals starting later this month.

iMac OS upgrade, app upgrade – information from Jeff. Jeff will upgrade home iMac first and see how it goes. May hold off until 2013; no rush to get this done, though we want to remain somewhat current.

DS – update

TV update – Covered in item 3.

Technology Subgroup

Reviewed and discussed July minutes from Tech Group

New topic came up about hearing aid system we use and could we implement something like the PAC is using (see 8/14 article in Post-Crescent)

Resume discussion from June on TV/media priorities

Idea of a paid position has been dropped.

Video for nurseries seems a much longer term concern and money would be better spent on higher priority items. Audio in the nursery downtown might be worth pursuing.

Camera coverage at the NS might be something to look into for various reasons. Lighting may be an issue, however, and would need to be addressed simultaneously. Doing baptisms as a first step would be something to explore. ProPresenter allows for a live video feed, so portions of the service could be displayed on the monitors. Web simulcasts would be a longer term need.

Concert opportunity -- Acquaintance of Jennifer's has a great story to tell and will do a concert of sorts and then also play and be involved in the Sunday service.

WOV extra copies -- Our Savior's in Menasha is looking to purchase up to 25 copies and the office/pastors wanted our blessing. So given.

Worship Service Topics – Recurring item. Nothing new this month

New items

Jennifer has started a blog. Watch for updates.

Beginning in Sept music team rehearsals will be mandatory. That may result in some people needing to bow out. Coordination of all related issues will be done by Jennifer L. She will ask for assistance from the team if and when it is needed.

2013 Budget process likely to begin in September – start thinking about any new or changed items so we can capture them in our Excel sheet. Pete let us know that the budget process will likely change for 2013.

Next meeting is September 11, 6:30 pm, NS
