Ministry team minutes:

- Finance/Budget review:
- Seeds of Grace Learning Garden:
 1. Garden Concert Feedback – Concert was well received and attended by various age groups. Funds raised to be matched by the Thrivent grant, thus far, are \$515.50. We also received \$915.00 from the Fred Kyle Memorial Fund, \$490.00 from the Mary Balch Memorial Fund and \$85.00 from the Jean Padget Memorial Fund for the garden.
 2. Derek and Brenda are working on proper accounting for funds raised for the Thrivent matching grant.
 3. Good progress on garden. Tim Vanderloop delivered rocks for defining the garden beds. A small group of kids (HS and Elementary) worked 6/13/2012 to place the rocks and plant the annuals.
 4. Garden webpage is available on the FELC website. Check it out sometime.
 5. Discussed writing letters to local businesses to ask for donations like hoses and other needed gardening tools. Big thank you to ACE Hardware for the flats of annuals and other items.
- Make an Impact Auction information:
 1. Call from Liberty Hall. Would like a deposit for 2013. Derek will call for details and further information. Date has already been secured for 2013.
- Grill and Greet:
