Equipment / Software / Training – Recurring item

Ministry Scheduler Pro software – Up and running. Working through the some glitches.

NS – update

Media enhancements/refresh – task force met once and is moving forward.

Equipment replacement – no update this month

Soundboard channel – no update

Other - Arrow Audio was brought in to service an amp.

DS – update

TV update – discussion of direction - budget is to just replace with minimal upgrade to digital.

Blue sky would be full HD and 2-3x what's in budget. Middle ground would be 1-1/2 - 2 x

budgeted amount. Do we need HD for a one hr/wk broadcast? Would cable channel even be

able to support it? Sound is more critical at this point - cantors, choir, cong). Ministry team's

feeling is to focus on the sound side and then digital cameras (not HD). Barry to email pastors

and council president with update.

Technology Subgroup – Nothing new this month.

Oil Paschal Candles – DS candle in place. Asked Brenda to order one for NS. Brenda to verify height of base compared to DS in case candle needs to be a different height.

Worship Service Topics – Recurring item

Pentecost – Red attire and lessons done in multiple languages. Jeff P and Linda H coordinating readers.

Note was in the May newsletter. Pastor Mary pulled together reading in various languages.

Picnic – May 20th. WMMT to help with a.m. setup.
