

Property Oversight Committee – Proposed Capital Projects

April 11, 2018

The Council needs to consider these projects and concerns when setting facilities management goals for FELC. These projects are not listed in any particular order.

1. North Site - Sewer and water hook-up to the City of Appleton
2. North Site – Both roofs: The main A-Frame roof and the roof over the gymnasium
3. North Site – HVAC units
4. North Site – Hearing loop installed in the sanctuary
5. Downtown – Kitchen renovation
6. Downtown – HVAC units
7. Downtown – The freestanding Mitsubishi units
8. Downtown – Boiler replacement
9. Downtown – Rebuilding of the retaining wall to the North of the Ida St. entrance
10. Downtown – Resurfacing the parking lot on the East side of Ida St.
